

Godhead

Olympus has fallen; new gods must rise. The Greek gods have been betrayed by one of their own. Zeus is dead, and Olympus is under siege by the demonic forces of Chaos. Their only chance of survival is to abandon the city, buying them time to regroup and rebuild. Thousands of years later, the children of the gods walk among us, guiding and protecting humanity. But there are some who don't know of the powers they have, or the secrets they must keep. The gods are no more, eliminated by their greatest enemy. And now, she wants to return home; no matter who is standing in her way.

Godhead (or godhood), is the divinity or substance (ousia) of the Christian God, the substantial impersonal being of God, as opposed to the individual persons or hypostases of the Trinity in other words, the Godhead refers to the what of God, and God refers to the who of God. The Godhead includes God the Eternal Father, the Savior Jesus Christ, and the Holy Ghost.
