

LA gets a little hotter when theres blood on the streets...Los Angeles, a city of vampires and shifters where violence simmers just below the surface. LAPD Lieutenant Christine Humber has worked for years in the citys most violent district, nicknamed Monster Central. When Chris examines the murder scene of a werewolf, a particularly hard-to-kill shifter, she doesnt find a shred of evidence. A serial killer was just what the city needed to make tensions start to bubble over. Threatened by the chance of a new urban revolt, the FBI steps in and tries to take the case. Chris reluctantly teams with the overly slim and beautiful Agent Flint to maintain the fragile peace. As the shifter body count grows, Chris and Flint must find answers before war and death spill out onto the streets. Wolfs Revenge is the second book in the Shifter Legacies, a horror and sci-fi/fantasy series that features page-turning adventure, gripping suspense, sweet romance, and realistic characters.
