

# Sweet Boots

Based on a true story, Sweet Boots is about one cat's journey from homelessness to happiness! Homelessness of animals is a terrible thing! Sweet Boots addresses this difficult issue in a straightforward manner, but in a compassionate way that will grip the hearts of readers of all ages. You will be introduced to Sweet Boots and her many struggles as a stray through the captivating photographs of her journey. When the ache in my stomach from hunger drove me to hunt or visit the new people, I would do so quickly and hurriedly return to the kittens. Darla Ayres Wollam's love for animals is expressed in her work through the eyes of Sweet Boots, so that children will learn the meaning of pet responsibility and remember the pain caused by neglect.
